CANADIAN FORCES DECORATION
429 488 018 SGT (AF) A KALICHUK SUP TECH 911

1. The attached CFDENC Card is returned to your Headquarters annotated that the 1st Clasp to the Canadian Forces Decoration is not recommended for the subject SGT and that it be reconsidered in one year's time in Sep 69.
2. The decision to not recommend the award is based on a perusal of SGT Kalichuk's confidential file which indicates that he was placed on Acknowledgement of Counselling at CFB Centralia for a period of three months on 17 Jan 63 to 17 Apr 63. He was again placed on verbal counselling at CFB Clinton from 7 Sep 66 to 6 Jan 67 due to a Military Police memorandum from CFB Centralia 30 Jul 66. In both cases, excessive use of alcohol was the cause for being placed on counselling.
3. It would seem that the requirement to be placed on counselling twice in a period of five years does not constitute the type of conduct which would warrant the award of the Clasp at first eligibility. Therefore, the award of the 1st Clasp is not recommended at this time, but it is recommended that reconsideration for the award be made in one year's time.
4. Copies of the counselling reports and conduct sheet are attached.

MEMORANDUM

ACCIDENTS - PMC
15113 Sgt A KALICHUK

1. At approximately 2240 hrs as the writer finished patrol, Comm GRANT pointed to a car that had gone through the fence at the guard house.
2. The car, a brown 1959 Oldsmobile, licence number E8591, belongs to Sgt KALICHUK of CFB Clinton, and who resides at lot 27, concession 10 in McKillop township. Sgt KALICHUK is on Temporary Duty at the supply school in Centralia.
3. Sgt KALICHUK was quite drunk at the time and had parked at the guard house. As soon as the car stopped Sgt KALICHUK apparently fell asleep. His passenger, Harry Joseph MacNEIL the CNR agent in Centralia Village got out of the car on the right side, went over to the left side and pushed Sgt KALICHUK over. As soon as Mac NEIL started the car it went under the fence. Shortly thereafter the writer arrived and took down particulars. The O.O. arrived about 10 minutes later. Mac NEIL backed the car out and then Sgt KALICHUK got behind the wheel. The writer asked Sgt KALICHUK to park the car and surrender his keys. After some time and with difficulty Sgt KALICHUK got the car parked and locked up. The O.O. and the writer escorted Sgt KALICHUK and Mr. MacNEIL to the Dufferin Hotel where Sgt KALICHUK is staying.
4. At approximately 0050 hrs, Sgt KALICHUK returned with his spare keys and asked for his car. Comm LAMB who was at the barrard at this time phoned the writer in the barracks. The writer told Comm LAMB that Sgt KALICHUK could not have his car at this time.
5. The hood, windshield wiper and windshield are damaged on the car. The insurance company is Wawanesa, the policy number is 8612891 and the expiry date is 20 Oct 66.

APPENDIX "A" TO
TCI 26.08/06
DATED 12 Jun 61

ACKNOWLEDGEMENT OF COUNSELLING

I, 15113 Sgt Alexander Kalichuk hereby acknowledge that I was
counselled by S/L JK Brown on 17 January 1963.

During the interview I was advised of the following:

(Insert details of shortcomings which necessitated counselling, the advice given the airman, and the assistance which will be provided to assist him in overcoming his deficiencies.)

- (a) that I was verbally counselled by my immediate superior within the past three months, concerning my excessive addiction to alcohol, and warned that further incidents would result in formal counselling action.
- (b) that my continued immoderate use of alcohol since verbal counselling has resulted in unsatisfactory performance of my duties and further loss of time to the Service.
- (c) that my conduct in this respect is unacceptable to the Service, that my career is being affected, and that continuation of my present course will inevitably result in dismissal from the Service.

I understand that in the event that I fail to improve from this date and to overcome my deficiencies within 3 months from the above date, copies of this Certificate will be forwarded to TCHQ with a Report of Shortcomings, and I may then be placed on formal probation, the result of which can be remuster, release, or (if applicable) reversion in rank.

Sgd (JK Brown) S/L
(Signature of Section Commander)

Sgd A. Kalichuk
(Signature of Airman)

To be prepared in triplicate.

- NOTES:
- 1 CASE TO BE REVIEWED THREE MONTHS AFTER DATE ON WHICH THIS CERTIFICATE IS SIGNED. IF SUFFICIENT IMPROVEMENT HAS BEEN MADE, TWO COPIES OF THE FORM SHALL BE DESTROYED, AND A SUITABLE NOTATION MADE ON THE COPY WHICH SHALL BE RETAINED IN THE AIRMAN'S UNIT CONFIDENTIAL FILE.
 - 2 IF IMPROVEMENT HAS NOT BEEN MADE, TWO COPIES OF THE CERTIFICATE SHALL BE FORWARDED TO TCHQ WITH A COVERING LETTER AND REPORT OF SHORTCOMINGS IN DUPLICATE.
 - 3 WHEN AN AIRMAN IS TRANSFERRED TO A UNIT OUT OF TC, CONFIDENTIAL FILES SHALL BE SCREENED AND ALL ACKNOWLEDGEMENT OF COUNSELLING FORMS REMOVED AND DESTROYED PRIOR TO DISPATCH.

X At time of counselling, Sgt Kalichuk stated that he intended to cease drinking entirely. As far as can be determined he has in fact stopped drinking and his job performance is now satisfactory.

ACCIDENTS- PMC
15113 Sgt A KALICHUK

①

1 At approximately 2240 hrs. as the writer finished patrol, Comm GRANT pointed to a car that had gone through the fence at the guard house.

2 The car, a brown 1959 Oldsmobile, licence number E8591, belongs to Sgt KALICHUK of CFB Clinton, and who resides at lot 27, concession 10 in McKillop township. Sgt KALICHUK is on Temporary Duty at the supply school in Centralia.

3 Sgt KALICHUK was quite drunk at the time and had parked at the guard house. As soon as the car stopped Sgt KALICHUK apparently fell asleep. His passenger, Harry Joseph Mac NEIL the GNR agent in Centralia Village got out of the car on the right side, went over to the left side and pushed Sgt KALICHUK over. As soon as Mac NEIL started the car it went under the fence. Shortly thereafter the writer arrived and took down particulars. The O.O. arrived about 10 minutes later. Mac NEIL backed the car out and then Sgt. KALICHUK got behind the wheel. The writer asked Sgt KALICHUK to park the car and surrender his keys. After some time and with difficulty Sgt KALICHUK got the car parked and locked up. The O.O. and the writer escorted Sgt KALICHUK and Mr. MacNEIL to the Dufferin Hotel where Sgt KALICHUK is staying.

4 At approximately 0050 hrs. Sgt KALICHUK returned with his spare keys and asked for his car. Comm LAMB who was at the barrier at this time phoned the writer in the barracks. The writer told Comm LAMB that Sgt. KALICHUK could not have his car at this time.

The hood, windsheild wiper and windsheild are damaged on the car. The insurance company is Wawanesa, the policy number is 8612891 and the expiry date is 20 Oct 66.

15113 Sgt A Kalichuk, Sup Tech 3

1 After Sgt Kalichuk's trial at St Thomas when he was at Aylmer there was a proposal to transfer him to Clinton. The CO at Clinton was rather unhappy about this at the time because of stories which had got around about Sgt Kalichuk's aberrations when he had been at Clinton once previously. I visited the OPP police detachment at Seaforth and unfortunately their records were not complete but the incidents were remembered.

2 Finally, of course, when Aylmer was closed he was transferred to Centralia. While he was at Centralia in the year 63-64 an OPP Constable Mitchell from the Exeter Detachment spoke to me on a couple of occasions. A similar pattern to that known to have been followed by Sgt Kalichuk in the past had come to light and in fact the number of reported incidents were frequent enough that the local papers were reporting them. The description of the car and man involved fitted Sgt Kalichuk but they had not got a licence number and as well as that the evidence of children must be corroborated. At that time I let the then CO and Adjt at Centralia know of the suspicion of the police.

APPENDIX "A" TO
TCI 26.08/06-1
DATED ~~28 March 61~~ 12 Jun 61

ACKNOWLEDGEMENT OF COUNSELLING

I, 15113 Sgt Alexander Kalichuk hereby acknowledge that I was
counselled by S/L JK Brown on 17 January 1963.
(Section Commander) (date)

During the interview I was advised of the following:

(Insert details of shortcomings which necessitated counselling, the advice given the airman, and the assistance which will be provided to assist him in overcoming his deficiencies.)

- (a) that I was verbally counselled by my immediate superior within the past three months, concerning my excessive addiction to alcohol, and warned that further incidents would result in formal counselling action.
- (b) that my continued immoderate use of alcohol since verbal counselling has resulted in unsatisfactory performance of my duties and further loss of time to the Service.
- (c) that my conduct in this respect is unacceptable to the Service, that my career is being affected, and that continuation of my present course will inevitably result in dismissal from the Service.

I understand that in the event that I fail to improve from this date and to overcome my deficiencies within 3 months from the above date, copies of this Certificate will be forwarded to TCHQ with a Report of Shortcomings, and I may then be placed on formal probation, the result of which can be remuster, release, or (if applicable) reversion in rank.

JK Brown
(JK Brown) S/L

(Signature of Airman)

To be prepared in triplicate.

NOTES: 1 CASE TO BE REVIEWED THREE MONTHS AFTER DATE ON WHICH THIS CERTIFICATE IS SIGNED. IF SUFFICIENT IMPROVEMENT HAS BEEN MADE, TWO COPIES OF THE FORM SHALL BE DESTROYED, AND A SUITABLE NOTATION MADE ON THE COPY WHICH SHALL BE RETAINED IN THE AIRMAN'S UNIT CONFIDENTIAL FILE.

2 IF IMPROVEMENT HAS NOT BEEN MADE, TWO COPIES OF THE CERTIFICATE SHALL BE FORWARDED TO TCHQ WITH A COVERING LETTER AND REPORT OF SHORTCOMINGS IN DUPLICATE.

3 WHEN AN AIRMAN IS TRANSFERRED TO A UNIT OUT OF TC, CONFIDENTIAL FILES SHALL BE SCREENED AND ALL ACKNOWLEDGEMENT OF COUNSELLING FORMS REMOVED AND DESTROYED PRIOR TO DISPATCH

At time of counselling, Sgt Kalichuk stated that he intended to cease drinking entirely. As far as can be determined he has in fact stopped drinking and his job performance is now satisfactory.

Welfare -
15113 Sgt A Kalichuk

1 The writer has received a letter from Mr ED Moore, Probation Officer at St Thomas, concerning his report that there had been an incident or incidents of behaviour of an anti-social nature by Sgt Kalichuk and supposedly reported as a result of police investigation. These incidents were said to have taken place in Seaforth area. It may be noted that the writer personally checked with the OPP and local police at Seaforth, but was not able to establish the truth or otherwise of this statement because of lack of records, due to changes in the police administration.

2 Referring to the reports which he had made concerning Sgt Kalichuk's behaviour, Mr Moore in his letter dated 6 Jan notes that except for the incidents for which Sgt Kaluchuk has been in court "any other incidents are purely on a heresay basis and the (peace) officers do not feel that this should be in any way held against the man. I do hope this will help you in being able to dispose of this case."

Attention: Mr. Moore

Dear Sir:

Re: 15113 Sgt AE Kalichuk

You will recall our discussion on 9 June, 1959 concerning problems of the above non-commissioned officer now stationed at RCAF Station Aylmer. Since then Sgt Kalichuk has received extensive psychiatric and other follow-up with a view to assessing and helping him. Certain recommendations have been made as a result of these assessments, which may or may not be possible, in making a decision as to the course to follow.

You will also recall noting to me that there had been a report of an incident at Seaforth which could have a bearing on the desirability of moving him into the Centralia or Clinton area. In assessing the degree of his difficulties, it would also be helpful to know any developments since June.

If convenient, I would like to visit you about 9:30 or 10 o'clock, Tuesday morning, 15 December. It would be appreciated if you could have further information regarding the incident which supposedly occurred at Seaforth and also anything further you might have which would help us to make a decision how best Sgt Kalichuk could be assisted.

Yours truly,

(J. J. Young)

Career Recommendation - Transfer
15113 Sgt AE Kalichuk

1 AS requested, attached in duplicate are ASWelo's reports 15 Jun and 1 Sep 59, together with Psychiatric consultation reports carried out by medical authorities following the dismissal of civil charge of an offence relating to a juvenile reportedly committed by the a/m NCO. The ASWelo's report of 15 Jun has just recently been made available and as will be noted, was forwarded direct to SMO Station Aylmer and W/C Beach at Station Centralia, and was not available to administrative staff at the time recommendation for transfer was submitted by this unit 18 Sep 59. The allegation as reported by the Probation Officer in St. Thomas that "a similar incident of exposure at Seaforth did occur" has been thoroughly investigated by AFP at this unit with civil police authorities at Seaforth, Goderich and at Court House in County of Huron, without any foundation whatsoever that an offence did actually occur. This portion of evidence is therefore incorrect.

2 Psychiatric reports relating to Sgt Kalichuk, although revealing an emotionally disturbed state, do not give immediate cause for alarm or anxiety.

3 This further evidence as presented therefore does not justify recommendation for release from the service at this particular time.

Welfare -
15113 Sgt Kalichuk

1. Because of time and other factors the normal type of Social History could not be completed at Aylmer on 9 Jun. However, in discussion with the SMO it was agreed that the following material should be forwarded. The writer attended a meeting in the Probation Office in St Thomas on the morning of 9 Jun concerning Sgt Kalichuk.

Social History

Number. 15113. Rank. Sgt. Name. Kalichuk. Trade. Supply Technician.

Religion. RC. Enlisted (last). Dec. 56. Birth Date. 3. Nov. 23.

TOS Aylmer. Summer. 58.

Presenting Problem:

On 21 May the following incident occurred: Airman stopped near three farm girls on a country road a couple of miles east of St Thomas and when they started to go to their own homes he stopped one girl and asked her the road to St Thomas (was on main Rural Route and headed towards St Thomas). He then asked the girl if he could give her a lift and she refused. NCO then produced some new female underclothing of which he asked her to choose best and again asked her to come in the car. The girl continued to refuse and finally noted that her father was coming. Airman did not leave but waited until the girl's father came, asked him the direction to St Thomas and left. The girl's father was on his way to work in St Thomas as a salesman and on the way he began to think about the situation and phoned his wife, got the details, then reported the matter to the police. The NCO was found by the police out on the same road.

He stated that he had been into St Thomas in the interval (at an address distant from the street which this road leads into.) He claimed that he was on his way to the Lake Erie shore and that he was going to use the female undergarments as prizes for fishermen. The Lake Erie shore is nowhere near where the airman was found.

Case was dismissed in court for lack of conclusive evidence but the magistrate warned the NCO of his suspicions.

The following was not produced in court as the OPP believed that their case should stand or fall on the one situation in order that the following material could be used in court on another substantial occasion: The Opp have had a number of complaints from Rural schools, names of which were provided to but not taken by the writer, of a person answering the airman's description making such advances to school girls and/or suspected of plans to making such advances. Licence number of car involved was obtained and it was established that it was the airman's previous car (he very recently obtained a new one) and that he apparently was in possession of the car. The point here is that the airman has been under surveillance because of the complaints for some time.

Family:

Airman was raised on a farm in Manitoba. Community was largely Polish and Ukrainian.

Education:

Grade nine Manitoba.

Employment:

Farm labourer and bull-dozor operator.

Service:

23 May 41 to 23 Jan 46 -- Army. 24 Jan 50 - 23 Jan 55 -- RCAF. Left RCAF to try Civil Service Supply Clerk's position. Was unsuccessful and enlisted in Dec 55. Trade is Supply Tech. Assessments very high.

Civil Conduct:

Airman was arrested for and convicted of indecent exposure in a public place at Trenton, the incident taking place 15 Jul 50. He was found guilty. The Probation Officer at St. Thomas informed the writer that there was a similar incident of exposure at Seaforth but RCAF records did not show this.

Marital:

Married his wife Helen, 30 Jan 54. [REDACTED] interviewed Mrs. Kalichuk because of other personal problems (below).
[REDACTED] in a domestic

s.19(1)

Summary:

This airman has been convicted once and reportedly twice on indecent exposure and police records show that he has been under surveillance since early this spring because of report on a number of occasions from country schools that he has accosted young girl students. The case involved is definitely shown to be the NCO's. One recent report was used as a basis for information and complaint. The case was dismissed. The family court has followed by recommending assessment and referral to treatment source if possible before the airman finds himself in severe difficulties.

15113 Sgt A Kalichuk

1 The writer was first referred to Sgt Kalichuk's case Dec 58 because of a possible need to transfer airman closer to Seaforth where his wife presently lives. A number of problems were noted but it was not believed that at that point they would justify a transfer to Clinton or Centralia. Recently Sgt Kalichuk was charged with an offence relating to a juvenile but he was not convicted. However, the Probation Officer revealed to the writer a number of reports which are on file concerning Sgt Kalichuk. These were discussed with the SMO, F/L ~~Cattan~~, W/C Beech, RCAF Psychiatrist, and later with clinical staff at Westminster Hospital, London to which the NCO was admitted for assessment. Sgt Kalichuk has been further interviewed in this connection.

3 Recommendation: In order that the RCAF psychiatrist and social worker at Centralia are most available for counselling and in order that Sgt Kalichuk may make a final attempt to resolve his personal and emotional problems, it is recommended that he be transferred to Centralia or Clinton.

1 As discussed 11 Dec with S/L Flewelling, F/L Lipkin and Sgt Kalichuk the writer visited Mrs. Kalichuk at RR4 Walton on 10 Dec. He has also contacted Dr. Toogood, London and the family lawyer Mr. McConnell, Seaforth.

2 The writer was very sympathetic to Mrs. Kalichuk because of her past experiences in concentration camps and soon after her arrival in Canada. However, the present legal problem is expected to be settled within the next few months and Aylmer cannot be considered too far from Goderich for Sgt Kalichuk's attendance in court. So far as the child is concerned he is only 3½ and it will not be possible to retain Sgt Kalichuk in the immediate area for the rest of his career. The precautions taken in the house are such as could be set up in any house provided that a five or six room house is obtained. It is noted that Mrs. Kalichuk's eldest daughter is not living at home but is attending a boarding school and plans to marry an airman after graduation. Recommendation that compassionate transfer cannot be recommended at this time but that Training Command should be asked to annotate Sgt Kalichuk's file to the effect that future transfers should be to areas where special medical attention is immediately available and where PMQ's are available if possible. It is further recommended that Training Command be asked to send Sgt Kalichuk on any postings "in the narrow sense" to Centralia or Clinton that might come up in the next few months.

1 The a/n NCO has stated his preference posting on completion of his tour of duty at Resolute Bay to be Clinton, Centralia, and London, as first, second and third choice.

2 This NCO is faced with a lawsuit in the Clinton area, because of an unfortunate BB Gun accident involving his boy and a neighbour. Attached are samples of correspondence received while Sgt Kalichuk has been in Resolute.

Records - Instructional Duties
15113 Sgt A. Kalichuk - Sup 3

1 Each summer it is necessary for the Aeronautical Engineering and Supply Officers School to request additional instructional staff. This requirement is made necessary by the large number of ROTP/URTP Flight Cadets undergoing training at this school during their summer break at university.

2 Sgt Kalichuk of your station was on temporary duty during the months of July and August and was employed in an instructional capacity. It was gratifying to have him accept this duty in such a conscientious manner. Our appreciation is expressed for the interest he displayed and the excellent contribution he made to our summer training program.
